The record of the members of the Armed Forces of our great country shows that one or more of your family has responded to the call to arms. Heber City is conscious of its debt of gratitude to these brave sons who now dot the map of continents and the seven seas.

Little has been done, officially, to show that appreciation. Little, indeed, can be done to adequately demonstrate our deep thanks to our soldiers and sailors who are out there fighting to preserve OUR liberty, OUR freedom, and OUR homes.

We who are less affected shall not count as sacrifice the little things we are asked to go without; nor complain at the small things we are required to do. These appear as nothing when considered in the light of the "larger measure" THEY are giving.

The City Council pays tribute to you parents and wives who have given a son or husband to Uncle Sam. We know that despite your anxiety and your tears that you must feel a solemn pride to have made this contribution to guarantee the security of our firesides.

We enclose, herewith a certificate for your loved one, designed to prove that, though we cannot repay, we have not forgotten. We feel that the boys would want to preserve them. If your soldier or sailor is in the states you might wish to send the certificate to him. Otherwise it may be better to hold it. In any case we desire that, ultimately, it gets into his hands.

At this Christmas time we extend to you and yours our sincere good wishes. We look forward, with you, to the return of peace to a world now torn with war, to the day when your loved one shall be restored to you.

Sincerely yours,

Heber City Mayor and Councilmen

By

Ralph F. Giles

Mayor.
